APPLICANTS' COMMENTS ON CLAIMS OF CONTINUATION APPLICATION

Sir:

This continuation application includes claims 1-7, which are substantially similar to claims 7, 8, and 11-15 of the parent application (Application No. 10/077,587), and which were canceled to place that case in condition for allowance. Applicants note that independent claim 3 in the present continuation application was specifically amended to include limitations not considered by the Examiner in the parent application. In particular, independent claim 3 further includes the limitation that the cross-frame is positioned behind the rear axle connecting members connected to the tractor vehicle frame. In view of the

foregoing, Applicants respectfully request favorable action on pending claims 1-7 in the present continuation application.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON
